We are continuing to have lots of business as colleges try to finish up requests for this year.

From the FS Curriculum Committee:
  • Proposal for a BS in Software Engineering
    
    We will have a person attending to talk about this proposal. An issue is what college students will be enrolled in and the FSC voted that the majors all be in engineering.
  
  • Proposal for a BS in Business E

From the ASAC:
  
  • Special GPA
  • Enrollment management
  • English proficiency requirements
  • Engineering admission
