VI. Unfinished Business:
   A. New orientation course for undergraduate international students (Curriculum Committee) – being handled by curriculum committee at this time
   B. Committee member for on-line testing center committee. – looking for a representative from this Council. Bigelow volunteered
   C. Update on low-enrollment minors - no progress. Bigelow
   D. Delivery and content of the math placement exam. – ASAC had looked at this. No further action deemed necessary.

VII. New Business:
Criminal Justice Major.

   ISU has been offering BS degrees under interdisciplinary degree program with emphasis in Criminal Justice. This effort is to move this to a full-fledged major based on student demand. Question of what the administrative structure will be was raised (Sociology or interdisciplinary). If this is going to be managed by an interdisciplinary committee than we need to have a governance document before it can be approved. Question on accreditation was raised; there is not a major need from participants to be accredited. Suggestion was made to pursue accreditation to raise its prominence when appropriate. There was a program requirement that stated “An average grade of C in the overall major”. This should be reworded as: “Students are required to have a minimum GPA of 2.00 in the 37 credits of required major courses.” This Special GPA requirement will need to be approved by the FSASAC. Suggestion of potentially including Cyber Crime. Comment was raised to make it clear of the demand in light of the programs at the other 2 Regent Universities.

   Motion contingent on approval by ASAC and clarify governance.
   Motion Bigelow Second Clough. Passed 8-0.

Late note: There was not a need for ASAC approval because it was learned that the minimum GPA of 2.00 in the 27 credits in the major was the LAS policy for every major. Wording was to be corrected to clarify that this was not an additional requirement, and specifically what courses were counted in this requirement.
Health Coach Certificate.

Need clarity for question 9 (Comparison to other universities). Representatives to be invited to the next meeting. Discussion to be continued.

Academic Dishonesty Discussion. –Tabled.
