Faculty Senate Curriculum Committee Agenda  
Tuesday March 7, 2017  
9:30 – 10:20 PM  
Room 107 Lab of Mechanics

Review of Agenda

Approval of Minutes

Items forwarded from AAC: None

Unfinished business:

Diversity Requirement (nothing new)

New Business:

- Undergrad Minor in Data Science
- Undergrad certificate in Data Science
- The curriculum committee several years ago (more than a decade) made a decision that a single course cannot be used to meet both US Diversity and International Perspectives. They went through the course list and took off courses that were shown as meeting both requirements. The course ComST 210 is on the approved list for US Diversity list – so it meets that requirement. Number three in the implementation guide (http://www.registrar.iastate.edu/students/div-ip-guide) states that any study abroad course that carries three credits (regardless of the content) can be used to meet the IP requirement.

Old Business / updates:

Next meeting: April 11
