Review of Agenda (attached)

Approval of Minutes from October 1, 2013 (attached - thanks, Jared!)

Previous items approved and forwarded to AAC (Master of Engineering in Energy Systems Engineering, policy on re-use of course designators)

Unfinished Business:

1. Subcommittee task updates
   A. Website (Jan, Sherri) – Links need to be corrected, header sections need to be written, where appropriate length of appointment on roster should be corrected
   B. Proposed new course form (Char, Curt, Rob, Jared) – Update from Char
   C. Procedures for proposed changes flow chart and Table 10.8 (Judy, Cameron, Char)

[2. Follow up on memo to catalog editors for catalog changes in response to Early Credit Task Force (additional action needed)]

3. Academic Standards item on GPAs (should be referred back to members of College Curriculum committees)]

4. Schedule for College Curriculum Reports – next three meetings (Oct. 15: ENG; GRAD, BUS; October 29: DSN, Vet Med; Nov. 12: LAS, HS

New Business:

1. Proposal for Food and Society Minor from FSHN (attached five documents)

2. Review of College Reports
   Interdisciplinary Graduate Studies, Graduate College (attached)
   College of Business
   College of Engineering

Forthcoming FSCC Meetings: October 29 (College Reports); November 12 (College Reports); November 19 (if needed for College Reports), December 3
