Chris Seeger – chair/lead - update
Credit via P&T for technology transfer, patents, team science, big data, interdisciplinary scholarship etc

Campus Climate, Faculty (FDAR chair, EDI chair)
- COACHE (Collaborative on Academic Careers in Higher Education)
  no significant problems when compared to the peer institutions; however, some challenges were identified: sense of “fit”; lack of support for research; lack of support for teaching; cost of living (due to salaries not meeting cost of living increases??); lack of support for teaching
- Campus Climate Survey – https://www.campusclimate.iastate.edu/ preliminary data José Rosa

Future Meetings:
October 29
November 26
