AGENDA

1) Update from UBAC and PBAC
2) Update from Committee on Faculty Compensation
3) Update from Committee on Research Planning and Policy
4) Key Performance Indicators feedback for the Provost
5) Salary policy
   a) Is there a better way to communicate what raise someone earns for a “satisfactory” performance?
   b) What advice does RPA have as to how raises should be explained to faculty?
   c) Is there still an issue of the handbook language differing from the presumed likely actual policy?
