Faculty Senate Technology Discussion

• Collaboration and Communication
  – New threats constantly evolving
  – Protecting Faculty, Staff, and Students
  – Penn State, UConn, ISU, DoD
  – NewToISU education and training

• New Technology Systems
  – Entity-wide software, multi-factor authentication

• Data Classification Policy
  – Protect ISU data and research data

• Encryption and Ability to Audit
  – 31 November (04 December) 2015 – college deadlines
Encryption

• Work with colleges and central IT professionals
• Encrypt all laptops
  – Mac – Casper
  – Microsoft – SCCM and MBAM
  – Future: all desktops and storage encrypted
• Computers joined to the university Active Directory
• Exceptions – very few
